Skills

Languages: C, C++, Java, Python, SQL, JavaScript

Web Technologies: HTML5, CSS, Tailwindcss, React.js

Platform: Linux (Arch Linux)

Linux Tools: Neovim Tmux kitty fzf zoxide

Tools: Git Github vercel

Projects

Personal Portfolio Website

- Developed a personal portfolio website to showcase skills, projects, and experience.
- Implemented a project showcase, blog section, and contact form for professional online presence.
- Utilized React.js and Tailwind CSS for responsive and dynamic design.

GitHub User Finder Application

- Developed a responsive web application using React.js and Tailwind CSS to facilitate GitHub user searches.
- Implemented dynamic user interface components and integrated GitHub API for real-time data retrieval.
- Utilized React.js and Tailwind CSS for responsive and dynamic design.

GitHub Command Utility

- Developed a custom gh command-line tool to interact with GitHub repositories directly from the terminal.
- Enables quick access to main GitHub page, repository creation, repository viewing, SSH key management, personal access token management, and more via simple command-line arguments.

Additional Experience

Linux (ArchLinux): Customized system setup with Hyprland, i3, and Hyprland for optimal performance and workflow. Hands-on experience with terminal-based applications and configurations.

Linux Scripts: Created various custom Linux scripts to automate tasks, streamline workflows, and manage system configurations.

Problem solving: Familiar with both recursive and iterative approaches to solving complex problems.

Education

B.tech GVP COLLEGE OF ENGINEERING (Autonomous), Information Technology

Sept 2022 – May 2025

- CGPA: 7.6

Dip Sir C.R.Reddy Polytechnic college, Computer Science

Sept 2020 – May 2022

- CGPA: 8.0

Interests

- Daily problem-solving on LeetCode and learning new techniques.
- Continuous learning and staying updated with the latest technology trends.
- Listening to music and discovering new genres.
- Exploring new places and experiencing different cultures.
